

lady's column in ? ask isobel  
why not ask Max--no cachet to that  
at any rate,guy wrote about easing tension by s self off  
and said friends disapproved  
Isobel sd they're simply jealous  
why does dog lick his balls  
what are the values of the man  
who can s himself off?  
Does he take political science in school  
Is he a gourmet,a mason,a Cowboy fan?  
Wallace Stevens or Carl Sanburg,  
or Eddie Guest. Show me a man who can  
suck his wang but desists  
and I'll show you an American  
convergence of the twain etc  
get rid of silliness and tackle subject w  
seriousness!!!!  
very egg heady and obtuse  
world of perceptions and everything else: his view depends as does eveything  
on...dependingg  
fm his angle --  
platonic etc aesthetics, scalded scolded  
friends hurling themselves in front of the trains of desire:  
what is he missing by being his own lover of sorts  
if he has others, howdo they compare? Is he a homosexual? If male and  
so spectacularly loving himself? Or rather a special category--  
I think that.  
are there moods? On an achingly romantic moonlit night,  
Leave me alone will his penis whisper? How will he handle this?  
will he increasing withdraw  
In some dark night of the soul will he forget washing his balls?  
why isn't there an adequate study of this?  
why do I have to think of everything?  
Isn't life unfair  
enough?  
this should be parodies of Eliot,Steven,Crane,Williams,  
Millay:I bite my peter at both ends.  
Dickinson It a little thing  
to make a big man
